Mangià ad campagna - Elilù

Category: Farmhouse holiday Agencies
business description: Agriturismo Mangià ad campagna is named after the book of memories and recipes by Alida Bazzini (published by la ricotta editions) and serves traditional menus of Ancient Piedmont, carefully revisiting them with authenticity, to make you relive the atmosphere, conviviality and flavors of the rural world between Lombardy and Piedmont.

Elilu - Soul Farm is a small, multi-functional company that is extremely versatile and operates a closed supply chain. Sustainability is one of our core principles: we aim at food self-sufficiency (the hay and the animal feed are self-produced, like the food consumed on the farm) and energy self-sufficiency (thanks to the photovoltaic system and the cycle of water and waste products)

As in the small farms of the past typical of the area, we breed different animals in a limited number.

The initiatives proposed by the farmhouse include the planetarium, bread-making and cheese-making course, educational farm, activities for children and adults, social farm.
